

Ardtornish Community Hydro Fund Application Guidelines

Criteria

All applications should benefit the community in the Morvern Community Council area.

The fund is open to applications from individuals or groups. If the project is profit-making, the profits must be used for the benefit of the community.

There should be no private personal, religious or political gain.

Levels of Funding

There is no minimum level of funding available.

While 100% funding would be considered, projects that can attract additional external funding will help to make the best use of this local source of funding.

Types of Funding

Both revenue and capital costs will be considered for funding. Revenue grants may be for core or project funding including staff costs. Capital costs may be for upgrading buildings, refurbishment costs or purchasing equipment.

Assessment Process

If your application meets the fund's criteria it will be considered by a committee made up wholly of Ardtornish staff.

The deadlines for applications to be received is the 15th day of each month. (Applicants will be contacted with the outcome of their application at the end of each month.)

You will be expected to acknowledge funding by the Ardtornish Community Hydro Fund in any project material, publicity or media coverage.

How to Apply

Please use the application form which you can download as an editable word file from

www.ardtornish.co.uk/hydrofund. It should be submitted by post or email

A PDF version is also available to print and complete by hand.

The following will also be required:

- Quote(s) or tender(s) for any capital works or purchases included in your application.
- Any other documentation that you think may be relevant, such as a business or project plan.
